Purpose Statement:

The Paula Barletta Memorial Scholarship was developed in memory of our friend and colleague Paula Barletta, one of the founders of the School Nutrition Association of Arizona (SNAAZ). An adored and admired member of the Yuma Chapter, Paula was tireless in her devotion to the association and the children of Arizona. She was a unique individual who came to America as a German war bride and went on to make her mark in our nation's history. At the gateway to New York where the Statue of Liberty is located, her name can be found on the Ellis Island "Wall of Immigrants" as an immigrant that made a significant contribution in American history. She developed an amazing relationship with many leaders in American politics while furthering the School Nutrition Association's (SNA) goals of feeding all school children.

Paula loved to travel. It was the intention of Paula's family and SNAAZ members to salute her memory with the establishment of the Paula Barletta Memorial Fund. Its purpose is to offer one scholarship annually to attend the SNA Annual National Conference (ANC). She believed the best opportunity for professional development for a school food service worker was at ANC. Towards this end, association members closest to her, worked together to develop this Scholarship for Association members at the kitchen manager\employee level.

We would all like to see her memory and love of the association and its members live on long after we are gone.

Dear [Recipient Name]:

Would you be willing to write a letter of recommendation to help me obtain a scholarship? The School Nutrition Association of Arizona offers a \$1500 scholarship for travel to the School Nutrition Association's Annual National Conference. This year it will be held in Philadelphia and I believe I may be eligible to receive this great award.

The scholarship will be awarded to someone who best demonstrates past involvement in our state association and a desire of professional growth. As my supervisor, you're in a unique position to offer a perspective on my abilities in both areas.

The association must receive all scholarship materials on or before August 19th, 2008. I would need to receive your letter of recommendation at least two weeks prior to this date. For your convenience, I've enclosed a stamped envelope already addressed. If I can provide more information about the scholarship, please let me know.

Thank you for helping me with a letter of reference.

Sincerely,

[Your Name]
